ABOUT US

We Mehndi Profile Started complete PVC Interior Solutions work in 2015 in West Bengal and completed the interior works for more than 5000+ customers. We are a PVC Profile company built up with a lot of innovative ideas, young thoughts, and flexible business practices. Our vision is to do something better for the next generation. We Mehndi Profile provide fully Interior design solution services in residential and commercial places using PVC products.

We have spread our collection of exclusive PVC / UPVC products. Today we are really happy to serve our best quality PVC / UPVC modular furniture solutions. We have well-trained PVC carpenters, who can do any designs/ models by using PVC. We are experts in all types of PVC modular furniture like modular cabinets, modular kitchens, modular wardrobes, PVC Table, PVC false ceilings, PVC wall panels and PVC bathroom doors. Our customer support teams are always ready to serve proper guidelines to our customers at any time.
